Dear Colonel Mader:

We are delighted that you have accepted our invitation to serve as a member of the Technical Review Committee (TRC). As noted in my previous correspondence, the TRC will include representatives from the Environmental Protection Agency and State regulatory agencies, along with local government and other community members. We will be in touch with you when we get the program underway, probably July/August timeframe.

Thank you for your willingness to serve on this worthwhile committee. I am confident this program will better enable our communities to work together to ensure our goal of a cleaner environment is met.

If you should have any questions, please contact me or my deputy, Mr. B. W. Elston, at 451-3034/3035.

Sincerely,

T. J. DALZELL
