Dear Colonel Dalzell:

In accordance with your application received June 7, 1991, we are forwarding herewith Well Construction Permit No. 66-0135-WM-0222 dated June 21, 1991, issued to United States Marine Corps for the construction of three (3) monitoring wells.

If any parts, requirements, or limitations contained in this Permit are unacceptable to you, you have the right to an adjudicatory hearing before a hearing officer upon written demand to the Director within 30 days following receipt of this Permit, identifying the specific issues to be contended. Unless such demand is made, this Permit shall be final and binding.

This Permit will be effective from the date of its issuance and shall be subject to the conditions and limitations as specified therein.

Sincerely,

A. Preston Howard, Jr., P.E.
Regional Supervisor

An Equal Opportunity Affirmative Action Employer
In accordance with the provisions of Article 7, Chapter 87, North Carolina General Statutes, and other applicable Laws, Rules and Regulations.

PERMIT FOR THE CONSTRUCTION OF A WELL OR WELL SYSTEM

In accordance with the provisions of Article 7, Chapter 87, North Carolina General Statutes, and other applicable Laws, Rules and Regulations.

PERMISSION IS HEREBY GRANTED TO

United States Marine Corps Base

FOR THE CONSTRUCTION OF three (3) monitoring wells, which will be exposed to the Surficial Aquifer, and which will be located at Piney Green Road VOC Area, Camp Lejeune, Onslow County, in accordance with the application dated June 6, 1991, and in conformity with specifications and supporting data, all of which are filed with the Department of Environment, Health and Natural Resources and are considered a part of this Permit.

This Permit is for well construction only, and does not waive any provisions or requirements of the Water Use Act of 1967, or any other applicable laws or regulations.

Construction of a well under this Permit shall be in compliance with the North Carolina Well Construction Regulations and Standards, and any other laws and regulations pertaining to well construction.

This Permit will be effective from the date of its issuance until December 22, 1991, and shall be subject to other specified conditions, limitations, or exceptions as follows:

1. The well(s) shall be located and constructed as shown on the attachments submitted as part of the permit application.

Permit issued this the 21st day of June 1991.

NORTH CAROLINA ENVIRONMENTAL MANAGEMENT COMMISSION
