HANK A VET Mr. Thomas Townsend

6 July 2000

Commanding General
Marine Corps Base

Camp Lejeune, N. Carolina 28542

Subj: Second Request for MCB Data re: Water Contamination Problems
and CMC Superfund Status

Ref: (a) My Ltr. to Base Engineer, MCB dtd. 10 June 2000

(b) My Ltr. to Base Housing Officer, MCB dtd 10 June 2000

Reference (a) requested data on the MCB water distribution system
during the period 1945-1967. Reference (b) requested confirmation
of MGR assignments between 1945-1967.

These requests are made in connection with a possible civil action
against the Department of the Navy in connection with VOC and PCB
contamination of the MCB water system.

To date no response has been received to these two requests. I
trust the Command is prepared to respond to these requests. If not
please so advise and noted materials will be requested under the
Freedom of Information Act (FOIA).

Please inform me of the name/address of your FOIA point of
contact should these materials not be otherwise provided.

Respectfully Submitted,

Thomas A. Townsend
