Dear Mr Brewer,

Thank you for the letter and the TTHM surveillance reports made by the U.S. Army environmental survey team.

Regret that many/most of the requested documents are no longer available at CLWC. Obviously at one time they were or they would not have been cited as references. Sorry to have repeated request for LAUDON letter of 26 August 1981 which you had furnished some time ago.

Appreciate knowing of receipt of FOIA request of 20 September. Had never received acknowledgment of FOIA request from MCB FOIA officer which I find unusual for a FOIA/PA operation. EMD may be requested to furnish data, but FOIA officer is responsible for operation of that federal program which seems somewhat awry. Letter to FOIA officer, MCB sent 29 October 2001.
