IN REPLY REFER TO:  
5720  
FOIA/346

APR 07 2003

Mr. Thomas Townsend  
[REDACTED]  
[REDACTED]

Dear Mr. Townsend:

This responds to your Freedom of Information Act (FOIA) request of March 15, 2003, in which you seek agency records in reference to the drinking water by Avolis Engineering, P.A., and Baker Environmental, Incorporated. Your request was received by this office on March 18, 2003 and assigned file number 346-03.

Following an extensive manual and electronic search of available documents in support of these requests, responsive information is provided below:

Request 1: Avolis Engineering Report "Drinking Water Distribution System Inventory and Sampling Study, Marine Corps Base (MCB), Camp Lejeune," July 28, 1993 (Draft).

Response: Text and Appendices A, B, C and D of Avolis Engineering Final Report, "Drinking Water System Inventory and Sampling Study, MCB, Camp Lejeune," November 2, 1995 are enclosed on the compact disk.

Request 2: Baker Environmental Incorporated Report "Status of Installation Restoration Program Activities at MCB, Camp Lejeune" June 18, 1993.

Response: After electronically and manually search Camp Lejeune records and querying LANTDIV, no responsive documents were located. Information related to the status of the Installation Restoration Program in 1993, can be found in the Fiscal Year 1993 Site Management Plan, which is accessible through the on-line administrative record at:  
<https://www.bakerenv.com/camplejeune irp/>.

Fees associated with the processing of your request are waived in this instance.

If you believe that an adequate search was not conducted, you may consider this an adverse determination of your request that may be appealed, in writing, to the General Counsel of the Navy, 720 Kennon Street SE, Room 214, Washington Navy Yard, DC 20374-5012.

Your appeal must be postmarked within 60 calendar days from the date of this letter to be considered. A statement as to why your appeal should

CLW

000003539

be granted should be included and the enclosed copy of this letter should be attached. Both the appeal letter and the envelope should bear the notation, "Freedom of Information Act Appeal."

Any questions concerning this matter should be directed to Gunnery Sergeant Froemming or Ms. Dickerson, at telephone number (910) 451-3563/3568.

I am the official responsible for the partial denial of your request.

Sincerely,

D. W. COLLINS  
Director, Manpower  
By direction of the  
Commanding General

Enclosure: Compact Disk containing: Text and Appendices A, B, C  
and D of Avolis Engineering Final Report
