Ms. Maritza Montegross
Department of the Navy - Atlantic Division
Naval Facilities Engineering Command
Code 1823
Norfolk, Virginia 23511-6287

SUBJ: MCB Camp Lejeune
Draft Action Memorandum
Site 84 - Building 45 Area

Dear Ms. Montegross:

The Environmental Protection Agency (EPA) has completed its review of the above subject document. The Agency concurs with proceeding with an on-site treatability study using the "Coralplex" process for the destruction of PCB's.

If there are any questions, I can be reached at (404) 562-8538.

Sincerely,

A handwritten signature in black ink, appearing to read "Gena D. Townsend".

Gena D. Townsend
Senior Project Manager
