Re: Contract N62470-89-D-4814
Navy CLEAN, District III
Contract Task Order (CTO) 0232
Final Interim PRAP, Operable Unit No. 10 (Site 35)
MCB, Camp Lejeune, North Carolina

Dear Ms. Landman:

Enclosed please find three (3) copies of the Final Interim Proposed Remedial Action Plan (PRAP) for surficial groundwater in the vicinity of the Fuel Farm at Operable Unit No. 10 (Site 35). This document incorporates responses to comments from LANTDIV and Camp Lejeune on the Draft Final version of this document. Baker's responses to reviewer's comments are attached to this correspondence along with a copy of the comments. A computer disk has also been enclosed with these responses in WordPerfect 5.1 format.

Copies of the Final Interim PRAP have been forwarded to Mr. Neal Paul of Camp Lejeune (3 copies), Ms. Gena Townsend of EPA (1 copy), Mr. Patrick Watters of NCDEHNR (1 copy), Commander Gary Williams of NEHC (2 copies), and Ms. Carole Hossum of ASTDR (1 copy). Transmittal letters have been forwarded to the six members of the Technical Review Committee notifying them that the PRAP has been finalized.

Baker appreciates the continued opportunity to serve the Navy. If you have any questions please do not hesitate to contact Mr. Matthew Bartman (Activity Coordinator) at (412) 269-2053 or me at (412) 269-2063.

Sincerely,

BAKER ENVIRONMENTAL, INC.
