Subj: SURFACE SOIL SAMPLING PLAN LOT 203

Ref: (a) Modified Surface Soil Sampling Plan from Base Env
Eng. received 30 Jun 89

1. The subject plan was reviewed by LCDR R. J. Ellis, USN, Head, Occupational Health Division/Industrial Hygiene Branch and Ms. J. Stegall, Supervisory Industrial Hygienist. The following comments are provided.

a. Ensure that personnel performing sampling operations wear appropriate personal protective equipment (neoprene gloves, disposable coveralls with boot covers and air purifying respirators).

b. Please provide a copy of the laboratory results to the Occupational Health Division.

2. Point of contact on this subject are LCDR Ellis and/or Ms. Stegall at extension 2707.

A handwritten signature in cursive script, appearing to read "A. E. Wood", is written over the typed name.
