Mr. Lown:

Enclosure (1) provides two copies of the Draft Sample Strategy Plan for the Phase II Solid Waste Management Unit Confirmatory Sampling Investigation for Patrick Watters and yourself. This plan incorporates the results of the Phase I investigation as well as your comments and guidance to further the investigation at these sites. Upon approval from your office, MCB, Camp Lejeune will finalize and initiate the sample and data collection process outlined in the enclosure (1).

If you require additional information, point of contact is Mr. Rick Raines, Installation Restoration Division, Environmental Management Department, at telephone number (910) 451-5068.

Sincerely,

for  
**SCOTT A. BREWER, PE**  
Deputy Assistant Chief of Staff
