Re: Contractor's Closeout Report  
Sites 6 and 82 Source Removal  
Operable Unit No. 2  
MCB Camp Lejeune  
Jacksonville, N.C.

Dear Ms. Landman:

Enclosed herewith please find copies of replacement covers, spines and pages for the Draft report currently in your possession. Please insert them as applicable in the various volumes of the report.

We trust that this submission will be found satisfactory and look forward to receiving your approval of the Closeout Report. This approval will become a part of the job closeout process currently underway by our Program Office in California. Should any further clarification be required, please do not hesitate to contact us.

Yours truly,
